

The figure consists of two maps of the Benicarló area, showing population density and risk levels. The left map, titled '1. Poblaciones', displays population density using a color scale from green (low) to red (high). The right map, titled '2. Riesgo (1)x(5)', displays risk levels using a color scale from blue (low) to red (high). Both maps include a scale bar (0 to 2 km) and a legend for the color scales. The maps show the Benicarló area, including the city of Benicarló, the town of Calig, and the town of Peñíscola. The Mediterranean Sea (MAR MEDITERRANEO) is visible to the east. The left map also includes a legend for 'mtd' (meters per day) with a color scale from green (low) to red (high).
